You promise that your product or service will give them certain benefits that they are not currently enjoying.

and confirming that you did deliver on your promises.

Second, Resales And Referrals Are Almost Free.

This is why most successful companies measure their success

A referral from a satisfied customer is fifteen times easier to sell to than a cold call.

Selling to a referral requires only one-fifteenth of the time, cost, and effort to make.

Third, Create A Golden Chain of Satisfaction And Referrals.

Once you have made the sale and the customer is happy, develop a \"golden chain of referrals\" by asking everyone to refer you to other interested prospects.

Ask confidently. Ask expectantly. Ask courteously

but always ask customers and even non-customers if they can refer someone else to you.

Fourth, Generate Word-Of-Mouth Advertising.

The most powerful method for you to generate referrals in today's competitive marketplace is by triggering word-of-mouth on the part of your happy customers.

Do you want to know how to motivate them to do this?

The way that you motivate your customers to sell for you is by giving them outstanding customer service.

At the end of the sales conversation, you can ask this question

Keep asking your customers, \"How are we doing?\"

What one action can you take with every customer
