Glasses up, let's look around

Does your friend looks sad?

look side to side and up and down!

Is there a feeling SPOT standing nearby?

Voice volume and tone can help you tell

if you hear a little whisper

That person may be angry, or quite scared too

Face movements can show you the way

Are their eyebrows relaxed or pointed down?

Is their mouth curved up or like a frown?

can be pretty strong, too

facing someone or looking away

SPOT a clue
