

Muhammad

Muhammad

"In this biography, Barnaby Rogerson explores the life and times of this deeply influential figure. Vividly describing the sixth-century Arabia where Muhammad was born, Rogerson charts his early years among the flocks, the caravans and the markets of his native Mecca; the night the Archangel Gabriel appeared before him and Muhammad become the messenger of God; the dangerous years of reciting the divine revelations in Mecca; his escape to Yathrib (Medina) and the subsequent battles between the pagan Meccans and the Prophet's Muslim forces, who would ultimately prove victorious."--BOOK JACKET.

The Prophet Muhammad

This children's book on the life of the Prophet Muhammad is taken from traditional Muslim biographical literature, including hadith. Passages from the Qur'an are used throughout to reinforce the stories. The material is authentic and the style lively and attractive. Although the book has been written for children of 10 to 15 years of age, it can be usefully read by anyone as an introduction because of its completeness and clarity. There are 32 colour illustrations although there has been no attempt to portray either the Prophet or his Companions. The illustrations are representative of traditional Islamic life as lived in many Arab countries and portray scenes that have occurred in those countries for over a thousand years.

RECOMMENDED BY THE EDUCATION GUARDIAN JANUARY 1992

The Life of the Prophet Muhammad

Muhammad: a frank look at his influential (and violent) life and teachings In *The Truth about Muhammad*, New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam-perhaps the first such portrait in half a century-unbounded by fear and political correctness, unflinching, and willing to face the hard facts about Muhammad's life that continue to affect our world today. From Muhammad's first "revelation" from Allah (which filled him with terror that he was demonpossessed) to his deathbed (from which he called down curses upon Jews and Christians), it's all here-told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad. Spencer details Muhammad's development from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms, promising his warriors luridly physical delights in Paradise if they were killed in his cause. He explains how the Qur'an's teaching on warfare against unbelievers developed-with constant war to establish the hegemony of Islamic law as the last stage. Spencer also gives the truth about Muhammad's convenient "revelations" justifying his own licentiousness; his joy in the brutal murders of his enemies; and above all, his clear marching orders to his followers to convert non-Muslims to Islam-or force them to live as inferiors under Islamic rule. In *The Truth about Muhammad*, you'll learn - The truth about Muhammad's multiple marriages (including one to a nine-year-old) - How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries - How Muhammad's example justifies jihad and terrorism - The real "Satanic verses" incident (not the Salman Rushdie version) that remains a scandal to Muslims - How Muhammad's faulty knowledge of Judaism and Christianity has influenced Islamic theology--and colored Muslim relations with Jews and Christians to this day. Recognizing the true nature of Islam, Spencer argues, is essential for judging the prospects for largescale Islamic reform, the effective prosecution of the War on Terror, the democracy project in Afghanistan and Iraq, and immigration and border control to protect the United States from terrorism. All of which makes it crucial for every citizen (and policymaker) who loves freedom to read and ponder *The Truth about Muhammad*

The Truth About Muhammad

Kecia Ali delves into the many ways the Prophet's life story has been told from the earliest days of Islam to the present, by both Muslims and non-Muslims. Emphasizing the major transformations since the nineteenth century, she shows that far from being mutually opposed, these various perspectives have become increasingly interdependent.

The Lives of Muhammad

It's All About Muhammad is a detailed and very readable biography of the creator of Islam based primarily on the original sources of Islam--the canonical works that form the foundation for Muslim beliefs. It is also illustrated, with 25 black and white drawings inspired by the original literature. The author studied 20,000 pages of these documents and concluded from the extreme violence of Muhammad--as documented in the original literature--that he was a psychopath. Burleigh asks, "What other word can be used for a man who once presided over the beheading of up to 900 men and boys because they refused to accept him as their prophet?" Muslims down through the last 14 centuries have been indoctrinated into the belief that God talked to Muhammad, but the evidence of their own literature is that he suffered from temporal lobe epilepsy, the same disease Dostoevsky suffered from. (In his writing, Dostoevsky commented about Muhammad's epilepsy.) The ecstatic moments of the epileptic experiences led Muhammad to believe he was in communion with God. He attributed the words of the Koran to God, though an objective reading of the Koran reveals it as the product of an extremely angry and disturbed mind. This book is not an argument that Islam is evil because it is a reflection of the evil of its creator. *It's All About Muhammad* is a presentation of what is in the source material, told by a gifted storyteller who uncovered the telling anecdotes and the revealing quotes. Burleigh drew his own conclusion: Muslims do what they do because of Muhammad's example, hence the title: *It's All About Muhammad*. But it is up to readers to examine what is in the book and reach their own conclusion.

It's All about Muhammad, a Biography of the World's Most Notorious Prophet

Researched biography of the Holy Prophet. Corrects misconceptions about his life; answers western criticism. "(1) Muhammad The Prophet (2) The Early Caliphate, by Muhammad Ali, together constitute the most complete and satisfactory history of the early Muslims hitherto compiled in English" — Islamic Culture, Hyderabad, India " ... He has now produced a biography of the Prophet of Islam in English ... It is not only Muslims who should feel grateful to him for the publication. The book should, indeed, give greater gratification to the English-speaking non-Muslims, whom it gives an opportunity of knowing the truth about the life and personality of one who is admitted on all hands to be the greatest reformer in the history of the world." — The New Orient "...it is written in an authoritative and interesting fashion, and from a historical point of view will be well worth perusing by adherents of religions other than Islam." — The Civil and Military Gazette, Lahore, Pakistan

Muhammad the Prophet

The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider?

Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. The First Muslim illuminates not only an immensely significant figure but his lastingly relevant legacy.

The First Muslim

Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions, he showed the way to live a life that provides for all the needs of body, mind, and soul, and elevates man's aspirations towards a sublime ideal in a very simple, direct, and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings, and rulers, calling on them to believe in God and to follow His message, yet, at the same time, he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists, and various other detractors, this book aims to show Muhammad's true character in detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed *Muhammad: Man and Prophet* and *Pioneers of Islamic Scholarship*, and the English translation of the eighteen-volume *In the Shade of the Qur'an*. His main career has been in radio and print journalism, and for over thirty years he was editor of "Islam in Perspective," a twice-weekly full-page column in the *Arab News*, a Saudi daily newspaper.

Muhammad: His Character and Conduct

The Leadership of Muhammad is a very personal study of the life-story and leadership skills of the Prophet. John Adair served with a Bedouin regiment in the Arab Legion and this story is full of fascinating detail of desert life and Bedouin beliefs. A business book that crosses boundaries it highlights the key leadership skills displayed by Muhammad and allows you to share in his wisdom. John Adair weaves the story of Muhammad's life together with aspects of Bedouin culture and ancient proverbs to provide key points for leaders and aspiring leaders. He discusses tribal leadership and essential attributes such as integrity, moral authority and humility. Learning and leadership go hand in hand. You are not born a leader, but you can become one and it is never too late to learn. John Adair's study of Muhammad and the tribal tradition of leadership is an essential addition to the leadership debate.

The Leadership of Muhammad

Finally, the truth...about Jesus and Muhammad This provocative book presents a factual analysis of the two most influential men of all time-Jesus, the founder of Christianity, with 2 billion adherents, and Muhammad, the founder of Islam, with 1.3 billion followers. Dr. Mark A. Gabriel allows you to walk side by side with Jesus and Muhammad from their births to their deaths. You will discover that both were prophesied over as children, endorsed by their cousins, rejected by their hometowns, and assisted by twelve disciples. With an understanding of their biographies, you are prepared to compare their teachings, including: •How they described themselves •How they responded to challenges from Jews •The healings and miracles they performed •Guidelines for acceptable prayer •When to fight an enemy •What they taught about women Dr. Gabriel's balanced historical comparison will shatter false images and give you new insight into the influence of Jesus and Muhammad in the world today.

Jesus and Muhammad

A life of the prophet Muhammad by bestselling author Karen Armstrong. 'Armstrong has a dazzling ability: she can take a long and complex subject and reduce it to its fundamentals, without over-simplifying' SUNDAY TIMES 'One of our best living writers on religion' FINANCIAL TIMES 'Not just a sympathetic book that would dispel the misconceptions and misgivings of its western readers, but also a book that is of considerable importance to Muslims' MUSLIM NEWS Most people in the West know very little about the

prophet Muhammad. The acclaimed religious writer Karen Armstrong has written a biography which will give us a more accurate and profound understanding of Islam and the people who adhere to it so strongly. Muhammad also offers challenging comparisons with the two religions most closely related to it - Judaism and Christianity.

Muhammad

The biography of the Prophet Muhammad. An easy and wonderful read.

Muhammad, Man and Prophet

New York Times–Bestselling Author: This biography of the man who inspired the world’s fastest-growing religion “paints a portrait of a very human prophet” (The Wall Street Journal). Muhammad presents a fascinating portrait of the founder of a religion that continues to change the course of world history. Muhammad’s story is more relevant than ever, because it offers crucial insight into the true origins of an increasingly radicalized Islam. Countering those who dismiss Islam as fanatical and violent, Karen Armstrong, author of *Islam and A History of God*, offers a clear, accessible, and balanced portrait of the central figure of one of the world’s great religions. “A good glimpse of how the vast majority of the world’s Muslims understand their prophet.” —The New York Times “Respectful, knowledgeable, and, above all, readable. It succeeds because [Armstrong] brings Muhammad to life as a fully rounded human being.” —The Economist

Muhammad

Adil writes of the Holy Prophet and how he prayed for mercy upon his enemies. Despite the fact that they did him such harm and caused him so much hurt, he would not curse them, for all prophets' curses instantly take effect.

Muhammad, the Messenger of Islam

As the founder of Islam Muhammad is one of the most influential figures in history. The furor surrounding the Satanic Verses and the Danish cartoon crisis reminded the world of the tremendous importance of the prophet of Islam, Muhammad. Learning about his life and understanding its importance, however, has always proven difficult. Our knowledge of Muhammad comes from the biography of him written by his followers, but Western historians have questioned the reliability of this story in their quest to uncover the 'historical Muhammad'. As modern controversies have shown, whatever the truth about Muhammad's life, his persona has taken on numerous shapes and played a crucial role in Muslim life and civilization. This Very Short Introduction provides an introduction to the major aspects of Muhammad's life and its importance, providing both the Muslim and Western historical perspectives. It also explains the prominent roles that Muhammad's persona has played in the Islamic world, from the medieval to the modern period. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Heirs of the Prophet Muhammad

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story.

Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

Muhammad: A Very Short Introduction

This book is a compilation of 40 of the finest sermons of the Prophet Muhammad, which in the words of the translator, Assad Nimer Busool, carries the fragrance of the breath of the noble Prophet. According to Abu Nasr Muhammad ibn Wadan, the collector of these prophetic sermons, he was fully satisfied about their authenticity because of the reliability of the chain of transmitters (Isnad) of these Hadiths, and the soundness of the testimonies of the teachers and students who had studied them. This collection has a commentary on it in the Zahiriyah Library of Damascus.

Life of Muhammad

Muhammad Is The Prophet, The Messenger Of God. But For The Vast Majority Of People Outside The Islamic Faith, He Remains A Mystery, And Myths And Misconceptions About Him Abound. Born In A Time Of Moral Despondency And Despair, Muhammad Spent His Entire Life Trying To Transcend Human Pettiness, Searching For Absolute Values, The Meaning Of Life And What It Meant To Be A Human Being. The Book Of Muhammad Recounts This Journey Muhammad S Early Struggles To Bring His Message To The People In Mecca, The Revelation, His Flight To Medina And The Establishment Of Islam And An Ideal City-State There, And His Triumphant Return To Mecca. Mehru Jaffer S Own Search To Understand The Teachings Of Islam Inform This Lucid Yet Profound Retelling Of The Life Of One Of The Most Mesmerizing Figures To Walk This Earth, Thereby Making His Teachings And Spiritual Significance Accessible To All. In This Short Biography, Mehru Jaffer Presents Muhammad As An Extraordinary Prophet And Leader, A Man Of God Who Succeeded In Uniting All Of Arabia Through His New Faith And Exerted Enormous Influence Over Centuries Of Human History. In Her Detailed Introduction To The Book She Also Examines Why The Fundamental Tenet Of His Teachings That To Be A Good Human Being Is To Be Kind, Compassionate And Charitable Is Particularly Relevant In Our Troubled Times Today.

Muhammad

AN INDEPENDENT BEST BOOKS ON RELIGION 2014 PICK Few things provoke controversy in the modern world like the religion brought by Prophet Muhammad. Modern media are replete with alarm over jihad, underage marriage and the threat of amputation or stoning under Shariah law. Sometimes rumor, sometimes based on fact and often misunderstood, the tenets of Islamic law and dogma were not set in the religion's founding moments. They were developed, like in other world religions, over centuries by the clerical class of Muslim scholars. Misquoting Muhammad takes the reader back in time through Islamic civilization and traces how and why such controversies developed, offering an inside view into how key and controversial aspects of Islam took shape. From the protests of the Arab Spring to Istanbul at the fall of the Ottoman Empire, and from the ochre red walls of Delhi's great mosques to the trade routes of the Indian Ocean world, Misquoting Muhammad lays out how Muslim intellectuals have sought to balance reason and revelation, weigh science and religion, and negotiate the eternal truths of scripture amid shifting values.

Sermons Of The Prophet Muhammad

Karen Armstrong adalah penulis yang telah menghasilkan karya-karya gemilang tentang berbagai tradisi

agama. Dalam setiap tulisannya, dia menampakkan kepiawaiannya menampilkan kajian yang rumit menjadi bahasan yang memikat dan mudah dimengerti. Penulis yang bermukim di Inggris itu kini menampilkan biografi Nabi Muhammad, yang tentunya membawakan tafsiran yang baru dan mengejutkan yang selalu menjadi kekhasannya. Biografi Nabi Muhammad ini ditulis Karen pertama kali sebagai respons terhadap fatwa Ayatullah Khomeini terhadap Salman Rushdie. Hingga saat itu, kebanyakan literatur Barat menggambarkan Muhammad entah sebagai orang suci yang sempurna atau sebagai penipu ulung. Armstrong berdiri di tengahnya: Muhammad ditampilkannya sebagai seorang luar biasa berbakat, pemberani, dan kompleks. Diperlihatkannya pula betapa karakter dan ide-ide Nabi demikian kuat untuk mengubah sejarah secara drastis dan menarik jutaan pengikut. Dengan mahir Karen menjalinkan di dalam narasinya jejak-jejak awal sejarah panjang permusuhan Barat terhadap Islam. Ditulis dengan riset yang kuat dan berdasarkan sumber-sumber yang berimbang, penggambaran Karen tentang Nabi dengan latar kehadirannya tentu dapat pula mencerahkan pembaca dengan pemahaman baru tentang kejadian-kejadian modern di kancah politik internasional. [Mizan, Agama, nabi, Islam, Karen Armstrong, Indonesia]

The Book of Muhammad

Without any doubts, the biography of Prophet Muhammad (Peace & Blessings be Upon Him) is authentic, truthful and complete. Prophet Muhammad (peace be upon him) was an exemplary man of intelligent mind and faultless vision. He was called \"the truthful & the trustworthy\" long before he became the Messenger of Allah (peace and blessings be upon him).

Misquoting Muhammad

The Christians that lived around the Arabian Peninsula during Muhammad's lifetime are shrouded in mystery. Some of the stories of the Prophet's interactions with them are based on legends and myths, while others are more authentic and plausible. But who exactly were these Christians? Why did Muhammad interact with them as he reportedly did? And what lessons can today's Christians and Muslims learn from these encounters? Scholar Craig Considine, one of the most powerful global voices speaking in admiration of the prophet of Islam, provides answers to these questions. Through a careful study of works by historians and theologians, he highlights an idea central to Muhammad's vision: an inclusive Ummah, or Muslim nation, rooted in citizenship rights, interfaith dialogue, and freedom of conscience, religion and speech. In this unprecedented sociological analysis of one of history's most influential human beings, Considine offers groundbreaking insight that could redefine Christian and Muslim relations.

Muhammad Prophet for our time

A biography of Muhammad, the founder of Islam.

Seerah of Prophet Muhammad

A well-researched biography of the Holy Prophet Muhammad, this book corrects many misconceptions about his life, and answers Western criticism. The biography discusses in detail the high moral character of the prophet, his love for orphans, the poor and downtrodden, his persecution by the Meccans, his flight to Madina.

People of the Book

“Compassionate and clear...a courageous undertaking.” —Greg Mortenson, New York Times bestselling author of *Three Cups of Tea* and *Stones into Schools* “As a scholar and storyteller extraordinaire, Deepak Chopra portrays a morally courageous yet highly human messenger of God.” —Irshad Manji, Director, Moral Courage Project, New York University From the New York Times bestselling author of *Buddha and*

Jesus comes the page-turning and soul-stirring story of Muhammad. Deepak Chopra—easily one of the most influential spiritual leaders in the world today—delivers this stunning, sincere, and highly accessible portrait of the Prophet of Islam. Chopra's Muhammad is an outstanding resource for everyone who thinks they should know more about the man who inspired the world's fastest-growing religion.

Muhammad: Prophet and Statesman

Muhammad and the People of Book by Sahaja Carimokam asks the question, what was the nature of Muhammad's relationship to non-Muslims, particularly Jews and Christians, and how did it change over time? This work is based on a chronological reading of the chapters of the Qur'an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad. Carimokam traces Muhammad's evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional/apocryphal materials. He shows how Muhammad's inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet. This rejection led to his ultimatum to the Jews early in the Medinan period of the Qur'an and culminated with his call to Jihad against all non-Muslims, including those Jews and Christians who refused to acknowledge his Prophethood. The origins of takfir, declaring Muslims to be non-Muslims, are considered. Comparisons are made of moderate and traditional interpreters of the Qur'an. Historical-critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter. The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual canonical practices of Muhammad.

Muhammad the Prophet

Whether we will admit it or not, it happens all the time. We often judge individuals, families, churches, and other organizations based on a lack of information. We hear something negative about a teenager in our child's class and assume that the parents are slacking off; we get reprimanded by the church greeter for our attire and assume that the whole church is unfriendly and cold; we listen to the news about a greedy CEO and assume the whole company is out to rip us off. Following this train of thought, what do you think of when you hear the name Muhammad? Do you think of a prophet of God sent to the Arabs or do you think of a leader who formed a blood-thirsty religion? Your perception will most likely be skewed by what you know about Muslims today. But that begs the question. What do you really know about Muhammad and Islam? Are you willing to study and learn about his life and teachings? Are you willing to reach across the divide and get to know the descendants of Abraham so that we can relate to them better? Who Was Muhammad? An Analysis of the Prophet of Islam in Light of the Bible and the Quran engages readers in a fascinating study of the life and times of Muhammad from a historical and prophetic standpoint. Pastor Doug Hardt then launches readers into an in-depth study of the Quran and Muhammad's teachings to see if they agree or disagree with the Word of God. This book will deepen your understanding of the origin of the second largest religion in the world.

Muhammad

Long-awaited new edition!

Muhammad and the People of the Book

Who is a prophet and what is prophecy in Islam? In the Abrahamic religions, prophets serve as intermediaries between the human and divine worlds. For Muslims, the Prophet Muhammad (570-632 CE) represents the culmination of the monotheistic prophets, including Abraham, Moses and Jesus. But what was Muhammad's message and is it still relevant today? This book takes a fresh approach to the study of Muhammad by examining his importance to Muslims in the wider context of prophecy. Stephen Burge outlines the expectations and conventions of prophecy and prophethood in Islam, comparing this to Judaism and Christianity. Chapters assess how Muhammad is portrayed in Muslim literature and what his place is within

the devotional life of the Muslim community. In doing so, the book offers a more intimate portrait of Islam and a deeper understanding of the meaning of Muhammad for Muslims around the world. Written by an Anglican priest who is a specialist in Islamic Studies, *Muhammad: Prophet of Islam* is an accessible guide for all those wanting to learn about the legacy of Muhammad and what prophecy means in Islam today.

Who Was Muhammad?

Muhammad's Body introduces questions of embodiment and materiality to the study of the Prophet Muhammad. Analyzing classical Muslim literary representations of Muhammad's body as they emerge in Sunni hadith and *sira* from the eighth through the eleventh centuries CE, Michael Muhammad Knight argues that early Muslims' theories and imaginings about Muhammad's body contributed in significant ways to the construction of prophetic masculinity and authority. Knight approaches hadith and *sira* as important religiocultural and literary phenomena in their own right. In rich detail, he lays out the variety of ways that early believers imagined Muhammad's relationship to beneficent energy—*baraka*—and to its boundaries, effects, and limits. Drawing on insights from contemporary theory about the body, Knight shows how changing representations of the Prophet's body helped to legitimize certain types of people or individuals as religious authorities, while marginalizing or delegitimizing others. For some Sunni Muslims, Knight concludes, claims of religious authority today remain connected to ideas about Muhammad's body.

The Life of the Prophet Muhammad

An accessible and fresh biography boldly arguing that Muhammad's entrepreneurial mindset helped unleash the modern world "A beautifully written, immaculately researched meditation on the impact of the Prophet Muhammad on the modern world. I loved this book!" —Reza Aslan, author of *No God but God* and *Zealot: The Life and Times of Jesus of Nazareth* A six-year-old cries in his mother's arms as she draws her last breaths to urge him: "Muhammad, be a world-changer!" The boy, suddenly orphaned in a tribal society that fears any change, must overcome enormous obstacles to unleash his own potential and inspire others to do the same. Fusing details long known to Muslim scholars but inaccessible to popular audiences, Mohamad Jebara brings to life the gripping personal story of Islam's founding prophet. From his dramatic birth to nearly being abducted into slavery to escaping assassination, Muhammad emerges as an unrelenting man on a mission. Surrounding the protagonist are dynamic women who nurture Muhammad; Jewish and Christian mentors who inspire him; and the enslaved individuals he helps liberate who propel his movement. Jebara places Muhammad's life in a broader historical context, vividly evoking the Meccan society he was born into and arguing that his innovative vision helped shape our modern world.

The Prophet Muhammad

MASING-MASING DARI KAMU ADALAH PEMIMPIN, DAN MASING-MASING DARI KAMU BERTANGGUNG JAWAB ATAS APA YANG DIPIMPINNYA Pernyataan mendalam dari Nabi Muhammad (saw) ini memaksa kita untuk mengakui bahwa kita semua adalah pemimpin pada tingkat tertentu. Namun, apa yang menjadikan seseorang pemimpin yang baik? Dan bagaimana masing-masing dari kita mengukur standar kepemimpinan yang ditetapkan oleh Nabi? Buku ini menyajikan kerangka kepemimpinan yang diteliti dengan baik yang dikombinasikan dengan studi kasus praktisi kontemporer yang diterapkan secara luas untuk pertama kalinya bagi para pembaca yang tertarik pada model universal berbasis Sirah (kehidupan kenabian) untuk kepemimpinan yang baik. Mengacu pada temuan-temuan ilmiah dari sumber-sumber timur dan barat, dan setelah meneliti berbagai macam karya tentang Sirah, kerangka asli dari sebelas kualitas kepemimpinan kenabian disajikan dengan seluruh bab yang dikhususkan untuk masing-masing. Peristiwa-peristiwa yang terkenal dan kurang dikenal dari Sirah dieksplorasi dan dianalisis seperti yang belum pernah terjadi sebelumnya, dan dilihat dengan lensa kepemimpinan spesialis, mengekstraksi wawasan tentang manajemen orang yang efektif, kepemimpinan yang autentik, dan berhasil melawan segala rintangan. Setiap bab tentang kualitas kepemimpinan tidak hanya menawarkan apa arti kualitas itu dan di mana kualitas itu dapat ditemukan dalam kehidupan Nabi, tetapi juga bagaimana seseorang dapat

mengembangkan kualitas itu dalam diri mereka sendiri.

Muhammad's Body

This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. This study by Dr Resit Haylamaz, an expert on the life of the Prophet and his leading Companions, reflects her life in various aspects based on reliable reports. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn Abi Talib are covered as separate topics.

Muhammad, the World-Changer

Muhammad saw. 11 Leadership Qualities That Changed The World

In The Generalship of Muhammad, Russ Rodgers charts a new path by merging original sources with the latest in military theory to examine Muhammad's military strengths and weaknesses.

Aisha

Muhammad, the prophet-founder of Islam, is one of the most influential and misunderstood figures of history. The religion he founded in mid-seventh century Arabia now has over 1.5 billion followers and his impact on world affairs is immense. In this small volume, a Muslim and non-Muslim come together to tell the story of Muhammad's life and teachings in straightforward language that will appeal to all who seek an easy to read primer on the Prophet and his teachings.

Muhammad Prophet for our time

Combining vast erudition with a refusal to bow before the political pressures of the day, Muhammad's Mission: Religion, Politics, and Power at the Birth of Islam by Professor Tilman Nagel, one of the world's leading authorities on Islam, is an introduction to three inseparable topics: the life of Muhammad (570-632 CE), the composition of the Koran, and the birth of Islam. While accessible to a general audience, it will also be of great interest to specialists, since it is the first English translation of Professor Nagel's attempt to summarize a lifetime of research on these topics. The Introduction, Chapters 1-2, and Appendix 1 provide

essential historical background on the Arab tribal system and Muhammad's position within that system; the political situation in pre-Islamic Arabia; the history of Mecca; and pre-Islamic Arabian religions. Chapters 3-5 cover the beginnings of the revelations that Muhammad claimed to be receiving from Allah, paying special attention to the influence on Muhammad of the hanifs, a group of pre-Islamic pagan monotheists attested in the earliest Islamic sources. The hanifs claimed to trace their religion back to the putative original monotheism of Abraham, from which they claimed Jews and Christians had deviated by, among other things, abandoning animal sacrifice. Chapter 6 explains how Muhammad's religious message included a thinly-veiled claim to have the right to political power over Mecca, a claim that exacerbated tensions with his own clan and led eventually to his expulsion from Mecca, as recounted in Chapter 7. Chapters 8-10 describe the impact of the hijra on the evolution of Islam. Seeing himself as the true heir to Abraham and the prophets who followed him, Muhammad would demand allegiance from Jews and Christians, as recounted in Sura 2 and other Medinan suras. He would initiate a war against Mecca, not in self-defense, but in order to gain control over the Kaaba, the central hanif shrine and the new qibla or direction of prayer for the Muslims. The Muslim victory at the Battle of Badr in 624 would help to shape a new ideal of a militarized religiosity in which those who waged war under Muhammad's command would attain the rank of "true believers," while those converts who refused to make hijra and to fight for Muhammad were relegated to the lower rank of "mere Muslims," as Suras 8 and 49 make clear. Muhammad's war against Mecca alienated many of his Medinan followers, the ansar. The refusal of the Jews to convert to Islam, combined with the close connection of the Jews to the ansar, led Muhammad to make war on the Jews as well as the Meccans. The surrender of Mecca in 630 (Chapter 11) did not lead to the end of war, for the aggressiveness and military success of Muhammad's movement had made it attractive to a slew of new converts whose desire for booty had to be placated. Sura 9, promulgated near the end of Muhammad's life, served as a broad declaration of war against polytheists, Jews, and Christians. Chapter 12 describes the evolution of Islam late in Muhammad's life into a "religious warriors' movement" that sought to extend the rule of Islam over the entire inhabited world. Chapter 13 covers the final pilgrimage and death of Muhammad, while Chapters 14-20 describe the development of Islamic dogma surrounding the figure of Muhammad and its implications for politics in the Islamic world and interfaith relations with non-Muslims up till the present day. The book concludes with appendices in which Nagel summarizes the state of scholarship regarding the life of Muhammad (Appendix 2) and the tensions between competing varieties of Muslim recollection of Muhammad (Appendix 3). *Muhammad's Mission: Religion, Politics, and Power at the Birth of Islam* is an erudite and authoritative guide to events of world-historical importance by a scholar who has spent a lifetime mastering the primary sources documenting the birth of Islam.

The Generalship of Muhammad

Muhammad
