## **La Schiava. A comic opera, as performed at the King's Theatre, etc. Ital. & Eng**

Mountainous terrain, volcanic soils, innumerable microclimates, and an ancient culture of winemaking influenced by Greeks, Phoenicians, and Romans make Italy the most diverse country in the world of wine. This diversity is reflected in the fact that Italy grows the largest number of native wine grapes known, amounting to more than a quarter of the world's commercial wine grape types. Ian D'Agata spent thirteen years interviewing producers, walking vineyards, studying available research, and tasting wines to create this authoritative guide to Italy's native grapes and their wines. Writing with great enthusiasm and deep knowledge, D'Agata discusses more than five hundred different native Italian grape varieties, from Aglianico to Zibibbo. D'Agata provides details about how wine grapes are identified and classified, what clones are available, which soils are ideal, and what genetic evidence tells us about a variety's parentage. He gives historical and anecdotal accounts of each grape variety and describes the characteristics of wines made from the grape. A regional list of varieties and a list of the best producers provide additional guidance. Comprehensive, thoroughly researched, and engaging, this book is the perfect companion for anyone who wants to know more about the vast enological treasures cultivated in Italy.

The inspiration behind the Emmy Award-winning HBO film *Gia* with Angelina Jolie, this “vivid...exhaustive” (The New York Times Book Review) account of the iconic and tragic life, career, and legacy of supermodel Gia Carangi features a new afterword by the author. At seventeen, Gia Carangi was working the counter at her father’s Philadelphia luncheonette. Within a year, she was one of the world’s top models, gracing the covers of *Cosmopolitan* and *Vogue*, partying at Studio 54, and redefining the fashion industry’s standard of beauty. But behind the glitz and fame, Gia was a young woman in pain, desperate for her mother’s approval and facing a drug addiction that quickly spun out of control. With dizzying speed, she went from \$10,000-a-day fashion shoots to using drugs on the streets of New York and Atlantic City before finally being blackballed from modeling. At twenty-six, Gia once again made history as one of the first famous women to die of AIDS. This “chilling tale” (The Boston Globe), based on hundreds of interviews with friends, family, lovers, and fashionistas (the term author Stephen Fried coined for her industry colleagues), is comprehensively explored in this unputdownable biography that will introduce Gia to a new generation. It is also a powerful exploration of our society’s views of beauty and sexuality, fame and objectification, mothers and daughters, love and death.

## **Vita di una ragazza schiava. Raccontata da lei medesima**

In this fascinating collection of essays, an international group of scholars explores the sonic consequences of transcultural contact in the early modern period. They examine how cultural configurations of sound impacted communication, comprehension, and the categorisation of people. Addressing questions of identity, difference, sound, and subjectivity in global early modernity, these authors share the conviction that the body itself is the most intimate of contact zones, and that the culturally contingent systems by which sounds made sense could be foreign to early modern listeners and to present day scholars. Drawing on a global range of archival evidence—from New France and New Spain, to the slave ships of the Middle Passage, to China, Europe, and the Mediterranean court environment—this collection challenges the privileged position of European acoustical practices within the discipline of global-historical musicology. The discussion of Black and non-European experiences demonstrates how the production of ‘the canon’ in the cosmopolitan centres of colonial empires was underpinned by processes of human exploitation and extraction of resources. As such, this text is a timely response to calls within the discipline to decolonise music history and to contextualise the canonical works of the European past. This volume is accessible to a wide and interdisciplinary audience, not only within musicology, but also to those interested in early modern global history, sound studies, race, and slavery.

## **The Wine Bible, 3rd Edition**

Spagna, 1587. Nella sua lunga carriera d'inquisitore, Lope de Mendoza ha condannato peccatori di ogni genere, eppure mai aveva affrontato un simile enigma: chi è la persona che ha davanti? Chi è in realtà Céspedes? Secondo alcuni, il suo nome è Elena ed è la figlia illegittima di una schiava nera. Dopo un'infanzia segnata dalla povertà e dalla violenza, è stata costretta a sposare un uomo brutale da cui ha avuto un figlio. Quindi ha deciso di abbandonare la famiglia e ha cominciato a peregrinare di città in città, trovando lavoro come sarta o domestica. Ma, d'un tratto, di lei si sono perse le tracce... Secondo altri, il suo nome è Eleno ed è un uomo affascinante e dal passato oscuro. Distintosi durante la rivolta delle Alpujarras, l'ultimo atto della conquista cattolica del regno di Granada, ha vissuto a Madrid, è stato apprendista di un cerusico, ha esercitato la professione di chirurgo ambulante e ha conosciuto María del Caño, che poi è diventata sua moglie. Ed è proprio a causa di María che è stato imprigionato dalla Santa Inquisizione... Chi è dunque Céspedes? Una donna o un uomo? Un'umile schiava o un illustre chirurgo? E, soprattutto, è innocente o colpevole? Basato su una storia realmente accaduta e ambientato in una Spagna dilaniata dalle guerre di religione, questo romanzo ripercorre le incredibili vicende di un individuo che ha sfidato una società ostile e bigotta pur di affermare il proprio diritto alla felicità; così, mentre delinea il ritratto di un personaggio modernissimo e fuori da ogni schema, esalta la forza della dignità, l'autonomia del pensiero e il coraggio di essere se stessi, al di là dei pregiudizi e delle convenzioni.
