

Bully

Beat the Bully

When it comes to bullying, there is a vast amount of information written on this topic. Unfortunately most of the research and advice has been written with regards to bullying amongst children, within the school playground, etc. Unfortunately many bullies don't grow out of this mind-set and as such, end up as adult bullies and unfortunately, there is not much advice on how to deal with an adult bully! In *Beat The Bully*, you will learn what exactly a bully is and discover a simple test to see whether you are being bullied or not. Yet most importantly, you will discover the techniques that you can put in place to stop the bullying once and for all, no matter what type of bully is targeting you. Even if you don't believe that you are being targeted by a bully, the tools in this book will provide you with the resources so that if you ever are, you will not be powerless.

Bully

Bully doesn't have a kind word for any of his friends. When the other animals ask him to play, he responds in the way he's been taught: Chicken! Slow poke! You stink! Laura Vaccaro Seeger's bold, graphic artwork, along with her spare but powerful words, make for a tender, hilarious, and thoughtful tale. This title has Common Core connections. A Neal Porter Book

Big Bully and M-Me

Krish has to give a speech at school. But how can he, when he stammers? And what's worse, his partner is the Big Bully! Will Krish get out of this mess?

Aflame

Fall Away with this addictive series from the bestselling author of *PUNK 57*. From the New York Times and USA Today bestselling author of *Bully*, *Until You*, *Rival*, and *Falling Away* comes the sizzling conclusion to the Fall Away series. The tables have turned. Now I have the power - and it's his turn to beg . . . Everyone wants to be me. Maybe it's the sway of my skirt or the way I flip my hair, but I don't care. Even though their attention is the last thing I crave, I just can't stop. I dominate the track, the speed rattles my bones, and the wind and the crowd screams my name. I'm her. The girl driver. The queen of the race. And I'm surviving - something he thought I'd never do. They all talk about him. Did you see Jared Trent on T.V? What did you think of his last race, Tate? When is he coming back to town, Tate? But I refuse to care too much. Because when Jared does come home, I won't be here. Tatum Brandt is gone. I'm someone new. Praise for the Fall Away series: 'Penelope creates incredible tension between their characters in this best friends to enemies to lovers romance. It touches on the trauma of high school relationships, first loves, and broken hearts, and most importantly, how to be with someone without losing yourself' Helena Hunting 'A wonderfully addictive read that kept my heart racing from start to finish. I could not put it down! 5 stars!!' Aestas Book Blog 'I got completely wrapped up in *Bully*' Scandalicious Book Reviews 'Freakin' awesome! I absolutely love, love, loved this book . . . It totally rocked. Three times I honestly thought I might spontaneously combust' Smitten's Book Blog 'There's a very thin line between love and hate! Did I know the line could be so blurred and painful? No! But can I say I didn't absolutely, without a doubt love this damn book? No! I freaking Loved it!!' SBookLover Reviews 'A heated and passionate novel, full of feeling and intensity that will appeal to the reader seeking an emotional rush' IndieReader.com Read the whole series in order: *BULLY*; *UNTIL YOU*; *RIVAL*; *FALLING AWAY*; *AFLAME* (novella); *NEXT TO*

NEVER (novella)

Dear Bully: Seventy Authors Tell Their Stories

Don't miss this excellent catalyst for one-on-one and classroom discussion. Today's top authors for teens and young people come together to share their stories about bullying—as bystanders, as victims, and as the bullies themselves—in this moving and deeply personal collection. Lauren Oliver, R. L. Stine, Ellen Hopkins, Carolyn Mackler, Kiersten White, Mo Willems, Jon Scieszka, Lauren Kate, and many more contributed 70 heartfelt and empathetic stories from each corner of the schoolyard. In addition, *Dear Bully* includes resources for teens, educators, and parents, and suggestions for further reading. For those working to support social and emotional learning and anti-bullying programs, *Dear Bully* can help foster reflection and empathy.

Bully B.E.A.N.S.

Bully B.E.A.N.S. teaches children how to speak up when it comes to bullying. Bullying continues to be an ongoing problem for children everywhere. Children from every race, culture, and socioeconomic group are susceptible to bullies. Most children are unprepared for how to handle it when bullying happens to them or someone they know. *Bully B.E.A.N.S.* helps children identify bullying, and offers clear and impactful action strategies for both targets and bystanders. Maxine liked to pick on kids... especially Winston. Winston is the smartest kid in our whole school. Maxine made him do all of her homework and give her all of his lunch money. Maxine liked to make Winston cry... then she'd call him a crybaby. "If you don't do exactly what I tell you to, I'll knock you into next week!" Nobody liked the way Maxine treated Winston, but we were too afraid to do anything about it. Written by bestselling author Julia Cook, *Bully B.E.A.N.S.* reminds children of the power of their voice and how to use it effectively when standing up against bullying. *Bullies Everywhere Are Now Stopped!*

Bully

Patricia Polacco takes on cliques and online bullying. Lyla finds a great friend in Jamie on her first day of school, but when Lyla makes the cheerleading squad and a clique of popular girls invites her to join them, Jamie is left behind. Lyla knows bullying when she sees it, though, and when she sees the girls viciously teasing classmates on Facebook, including Jamie, she is smart enough to get out. But no one dumps these girls, and now they're out for revenge. Patricia Polacco has taken up the cause against bullies ever since *Thank You, Mr. Falker*, and her passion shines through in this powerful story of a girl who stands up for a friend.

Bently the Bully

The cool, crisp days of autumn are finally here! Kids around the neighborhood are excited to swing, slide, and climb at their favorite playground. That is, until Bently shows up. He is ready to pull some hair, blacken some eyes, and break some bones. The sound of his footsteps, thump, thump, thump, sends children scattering in all directions for a spot to hide. No one is safe. Until one day, a brave boy named Harvey finds the courage to stand up to Bently. Little Harvey wants to make a big change in how his friends are being treated. What will Bently do? Will Bently show an apologetic heart? Will Harvey and his friends be able to forgive?

Brutal Bully

This bully has a killer reputation, and I'm next on his hit list. When I came to Lavish, I expected a fresh start. A new beginning. What I got was a close encounter with a savage monster that nearly cost me my life. And

the worst part? He's the star football player at Lavish Prep. Gorgeous, arrogant, and utterly psychotic, this cold-blooded bully now has me in his sights. If the shocking rumors about Briar are true, I cheated death the night we met. Instead of avoiding him, I make the biggest mistake of my life. I start a crusade to bring the school bully to his knees. I'll have to get close if I want to rip out his black heart and show it to the world. Really, really close. It's easier than it should be. There's a connection between us, a chemistry that threatens to engulf us both. But I made a vow to unearth his dark deeds, and I refuse to back down. Even if going down this rabbit hole means giving up control...to him. Problem is, the closer I get, the deeper Briar pulls me into his dark secret. I have no idea what's waiting for me in the shadows. *Brutal Bully* is a dark enemies-to-lovers new adult romance. This standalone dark high school bully romance novel is intended for mature readers only as it contains material that some may find triggering. For fans of bully romances by A Jade, JL Beck, Rachel Leigh, KG Reuss, S Massery, Ivy Blake, Ruby Vincent.

Until You

From BookTok sensation and New York Times bestselling author Penelope Douglas comes a riveting companion novel to *Bully*. This is Jared's story.... Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same.

Real Life Bully Prevention for Real Kids

Many states currently mandate character education, and school districts across the country need anti-bullying education programs to counter the rising tide of aggression and relational aggression that is the norm among many students. In fact, many school districts now require teachers to include lessons on bully prevention in their curriculum. *Real Life Bully Prevention For Real Kids* addresses this pervasive problem by offering students hands-on activities. Teachers will want to use this book in their classrooms with their students as part of the school's anti-bullying curriculum. As an added bonus, the activities reinforce English/language arts, social studies, and health education curricular goals. Counselors, therapists, and school administrators can also use the activities in large and small group instruction. Additionally, leaders of after-school programs and youth leadership programs, such as scouting, dramatics classes, and religious education classes, will find the activities helpful in addressing their bully prevention programs. Each activity contains a description, goals for children, and helpful hints for adults to guide their youngsters through the program.

How to Handle Bullies, Teasers, and Other Meanies

Provides information on what makes bullies and teasers tick, how to handle bullies, how to deal with prejudice, and how to defend oneself when being teased or insulted.

Encyclopedia of Applied Psychology

Encompasses topics including aging (geropsychology), assessment, clinical, cognitive, community, counseling, educational, environmental, family, industrial/organizational, health, school, sports, and transportation psychology. Each entry provides a clear definition, a brief review of the theoretical basis, and emphasizes major areas of application.

Cool Things to Do If a Bully's Bugging You

Cool Things to Do If a Bully's Bugging You: 50 Classroom Activities to Help Elementary Students aims to help students facing bullying and other problems while they're actually experiencing them. The activities feature a multidisciplinary approach that encourages speaking, listening, reading, and writing activities to complement curricular goals in English/language arts and social studies. Principals, teachers and counselors will want to use this book in their bully prevention programs by involving children, parents, and the entire school family in their drive to create a bully-free school. The book includes classroom activities and also involves parents in the learning process by having them discuss bullying issues with their children in a "Talk It Out" section that concludes each chapter. Research shows that involving the bullied child, the home, and the school community has proven the most successful approach to helping kids remain bully free. The book also includes kid-friendly quizzes to help reinforce the concepts covered in every chapter. Students and teachers alike will find the variety of activities in this book informative, kid-friendly, and best of all, enjoyable.

Choose Your Bully

Ling and Richard have a great idea to deal with their school bully: hire a bodyguard. But when their bodyguard starts to bully them too, they have to get smarter. A great, funny read on an issue of concern to young people everywhere. HIP JR novels are written especially for students in Grades 3-7 who are reading at Grade 2-3 level. These books feature preteen characters in adventurous, sometimes dangerous and often humorous situations.

Bullied Teacher, Bullied Student

\"To eradicate bullying in schools, the education community must first acknowledge its existence in all forms. This timely book explores the background and myriad of issues related not just to student-on-student bullying, but all forms of threatening and victimizing behaviour found in too many schools. It will show teachers and educators how to recognize the bullying culture in their school, and decide what to do about it -- devise, implement, and enforce a policy that works. Every school should be a place where staff and students alike feel safe and secure. This indispensable guide suggests constructive ways to repair the school environment, and heal a bullying school.\"--Publisher's website (www.pembrokepublishers.com).

The Bullies

Dennis Lines shares his deep understanding and illustrates from long practical experience in the field of counselling, bullying and aggression.' - Educational Review Canterbury Christ Church University, UK Carl Parsons Is there a particular type of person who becomes a bully? Why do bullies behave like they do? How can we interpret and understand bullying within relationships? *The Bullies* attempts to get inside the minds of the bully and victim - the child, the adolescent and the adult - across a wide range of 'closed' situations including the home, school and workplace, prisons and the armed services. By listening to the voices of bullies and victims from all kinds of backgrounds without making judgements, counsellor Dennis Lines provides unique insights into bullying and what makes such domineering and aggressive behaviour so complex. He discusses controversial issues such as genetic predisposition towards abusive behaviour and draws on his counselling knowledge to provide insights on how to understand and treat bullies to change their behaviour. *The Bullies* offers a unique and illustrated perspective on a widespread phenomenon, and will be essential reading for psychologists, sociologists, counsellors, teachers, social workers, probation

officers, students and researchers.

Workplace Bullying in the NHS

This publication offers practical advice and guidelines on intervention and prevention of bullying in the workplace in the NHS. It draws on academic research and presents a variety of case studies, as well as offering strategies to deal effectively with the problem.

School Bullying

"There are many books and state/federal publications on bullying; however, the integration of legal mandates and guidelines with direct application is quite rare. This text offers a valuable and unique cross-discipline resource with its thorough review of legislative precedents."--Diana Joyce, School Psychologist, University of Florida
"Educators rarely receive this kind of detailed legal information in their graduate school studies. When people purchase this book, it will be like having their own lawyer sitting right next to them."--Steve Hutton, Professional Development Specialist, Mayerson Academy, Cincinnati, OH
Take legally sound steps to create a school environment that is safe for all students. Every hour of every day, students experience bullying and harassment at school by their peers. The immediate and long-term impact on the victims' learning capabilities, emotional health, and self-esteem is staggering. School Bullying: Tools for Avoiding Harm and Liability tackles this critical problem with an easy-to-use framework that guides educators in using constructive thinking, listening, and speaking to take effective action. The McGrath SUCCEED® System outlined in this excellent text offers school leaders tools to create lasting, legally based, and ethically sound approaches to dealing with, and preventing, bullying in schools. This proven method covers both the content and context of bullying. You'll be able to address these issues: Distinguishing bullying from acceptable student behavior Applying legally appropriate procedures and maintaining proper documentation Acting with honesty, compassion, and accountability Fostering trust, respect, understanding, and a commitment to growth Offering practices that put fundamental ethical principles into action This resource is vital to all schools, providing not only step-by-step procedures but also practical tools for investigating bullying situations and communicating effectively with students, parents, teachers, staff, and the community.

Dealing with Bullying in Schools

Designed to work as a training manual, this book was developed from training courses run by the authors on dealing with bullying in schools.

Bullying in Schools

Bullying in Schools is the first comparative account of the major intervention projects against school bullying that have been carried out by educationalists and researchers since the 1980s, across Europe, North America and Australasia. Working on the principle that we can learn from both successes and failures, this book examines the processes as well as the outcomes, and critically assesses the likely reasons for success or failure. With contributions from leading researchers in the field, Bullying in Schools is an important addition to the current debate on tackling school bullying.

ABA Journal

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Bullying in American Schools

Much of our knowledge about bullying behaviors comes from research conducted over the past several decades in Europe, Australia, and Canada. Until the past decade, research in the United States has lagged behind our European, Australian, and Canadian counterparts. This book seeks to fill this void by forwarding research on bullying across contexts conducted with American participants. This book is an exciting compilation of research on bullying in school-aged youth conducted across the United States by a representative group of researchers, including developmental, social, counseling, school, and clinical psychologists. As such, it presents a picture of the complexity of bullying behaviors and offers suggestions for using data-based decision-making to intervene and reduce bullying behaviors in our nation's schools. Given the complexity of bullying and victimization, this book gives guidance for schools as they develop prevention and intervention programming for bullying. Providing a source through which school administrators can utilize the research findings, the book is divided into five parts. Part I illustrates the importance of individual characteristics across bully-victim subtypes. Part II addresses how peer groups relate to bullying across the school years. Part III explores how teachers and classrooms influence bullying and aggression during the school years. Part IV implicates ecological systems in fostering and maintaining bullying in schools. It also highlights the potential for these systems to work in combating bullying. Part V focuses on specific aspects of prevention and intervention planning.

Beyond Bullying

Beyond Bullying offers guidance and advice on conducting practitioner research into bullying and provides resources to assist practitioners and researchers in doing so. It draws on a case study of almost 1,000 secondary school students over a period of 5 academic years to explore student perception of traditional bullying and cyber bullying, and how recommended approaches to bullying research can be applied to practice. The book provides an overview of bullying and cyber bullying literature, considering recent research in the field, how this was conducted, and what the findings were. In addition, the case study illustrates how a positive anti-bullying school ethos can be established through practitioner research. Each chapter will impart both practical and academic knowledge enabling the reader to: - conduct bullying research with secondary school students - complete research activities with bullies and victims - help students to raise awareness of bullying in school - inform school staff of problems occurring at class level. Beyond Bullying discusses how bullying research can be used to construct a model of bullying behaviour in the school environment and establishes suitable approaches to bullying intervention. The book will appeal to practitioner researchers in the area of school bullying, as well as practitioners, researchers and postgraduate students in the fields of education, sociology and related disciplines.

Bullying in Schools

Bullying is now widely recognised as a serious problem that affects many children in schools. It can take many forms, including direct verbal and physical harassment and indirect forms such as deliberate exclusion and the targeting of individuals using cyber technology. Continual and severe bullying can cause both short term and long term damage, making it difficult for victims to form intimate relationships with others and for habitual bullies to avoid following a delinquent lifestyle and becoming perpetrators of domestic violence. Even though this type of abuse affects many of our school children, Ken Rigby believes there are grounds for optimism. This passionate and motivating book shows that there are ways of reducing the likelihood of bullying occurring in a school and effective ways of tackling cases when they do occur. Using up-to-date studies, Bullying in Schools helps us to understand the nature of bullying and why it so often takes place in schools. Importantly, it examines and evaluates what schools can do to promote more positive peer relationships within the school community and take effective and sustainable action to deal with problems that may arise. Teachers, parents, school leaders, policy makers, and health professionals will find it invaluable and empowering.

How to Stop Bullying and Social Aggression

"This timely book includes perfectly sequenced, content-enriched, practical lessons that will enhance any anti-bullying effort. The student-focused activities will facilitate and maintain learning of important anti-bullying concepts that can never be overemphasized." —Allan L. Beane, Founder and President Bully Free Systems

"A practical book packed with the kinds of anti-bullying strategies that teachers, coaches, therapists, and kids regularly request. Every chapter is packed with tips on how to stay physically and emotionally safe when bullying occurs, and children are coached to practice assertive behaviors and avoid the victim role." —Cheryl Dellasega, Professor, Penn State University

Author & Founder, Club Ophelia

Encourage respectful, positive social behavior in all students! Educators have come to recognize the long-term negative impact that bullying can have on children and the need to proactively teach acceptable behaviors for both in school and out. This user-friendly resource provides K–6 teachers, school administrators, and counselors with fun, interactive lessons and activities that support students' safety and well-being, promote healthy social-emotional development, and improve academic achievement. Using role plays and sample scripts that can be adapted to specific situations, the authors illustrate how to teach critical concepts and behaviors, including how to stand up to a bully and how to stop another student from bullying. In clear, jargon-free language, this research-based book helps school districts meet the curriculum requirements of recently enacted bullying laws by fostering positive youth development around issues of respect, conflict resolution, and interpersonal relationships. Readers will also find: Sidebars and icons that highlight important information A supply list of commonly found classroom items within each lesson for quick and easy implementation Illustrations and unit tests for students' review Suggestions for enhancing lessons How to Stop Bullying and Social Aggression helps educators engage bullies, victims, and bystanders at their own level and teach healthy behaviors to create safe, healthy schools.

Bully on the Bus

She's big. She's smart. She's mean. She's the bully on the bus. She picks on me and I don't like it. But I don't know how to make her stop. The bully on the bus taunts seven-year-old Leroy, then silences him with threats of worse to come. To distract him, his teacher introduces him to the adventures in *The Big Bad Book of Fairytales*. Hidden throughout are the clues that Leroy needs to overcome the bullying taunts once and for all.

Bullying among Prisoners

This book aims to present key aspects of the prison-based bullying research which has taken place over the last few years. It is a field in which there has been considerably increased interest. One of the main features of this book is the recognition that much previous bullying research has been descriptive in nature, with little underlying theory to assist its development as an area of academic interest. In addressing this need this book will serve as an indispensable resource for students, academics and professionals with interests in this field. Chapters in the book address the following areas: need for innovation in prison bullying research, statistics on bullying, combining methods to research prison bullying, bullying behaviour among women in prison, bullying and suicides in prisons, developmental antecedents of prison bullies and/or victims, applying evolutionary theory to prison bullying, applying social problem solving models to prison bullying.

Bullying

In recent years there have been an increasing number of incidents where children have either perpetrated or been the victims of violence in the schools. Often times the children who perpetrated the violence had been the victims of school bullying. If bullying once was a matter of extorting lunch money from one's peers, it has since escalated into slander, sexual harassment, and violence. And the victims, unable to find relief, become depressed and/or violent in return. Despite all the media attention on recent school tragedies, many of which can be traced to bullied children, there has been little in the way of research-based books toward understanding why and how bullying occurs, the effects on all the individuals involved and the most effective intervention techniques. Summarizing research in education, social, developmental, and counseling psychology, *Bullying: Implications for the Classroom* examines the personality and background of both those

who become bullies and those most likely to become their victims, how families, peers, and schools influence bullying behavior, and the most effective interventions in pre-school, primary and middle schools. Intended for researchers, educators, and professionals in related fields, this book provides an international review of research on bullying. KEY FEATURES: * Presents practical ideas regarding prevention/intervention of bullying * Covers theoretical views of bullying * Provides an international perspective on bullying * Discusses bullying similarities and differences in elementary and middle school * Presents practical ideas regarding prevention/intervention of bullying * Provides an international perspective on bullying * Outlines information regarding bullying during the elementary and middle school years * Covers theoretical views of bullying * Presents new approaches to explaining bullying * Contributing authors include internationally known researchers in the field

Rethinking School Bullying

What would make anti-bullying initiatives more successful? This book offers a new approach to the problem of school bullying. The question of what constitutes a useful theory of bullying is considered and suggestions are made as to how priorities for future research might be identified. The integrated, systemic model of school bullying introduced in this book is based on four qualitative studies and incorporates theory from systemic thinking; cognitive, social, developmental and psychoanalytic psychology; sociology, socio-biology and ethology. The possible functions served by bullying behaviour are explored. Consideration is also given to the potential role of unconscious as well as conscious processes in bullying. The model suggests a number of causal processes within one-to-one relationships and peer groups, and highlights factors within individuals and schools that shape the form, intensity and duration of bullying behaviour in practice. The issue of 'difference' is also addressed, focusing on childhood deafness.

Our New World of Adult Bullies

Our New World of Adult Bullies connects the dots to show how bullies at all levels of society follow the same predictable patterns of behavior. Bullies exist everywhere: families, workplaces, neighborhoods and communities, politics and government, and organizations of all types and sizes. And in a media landscape where conflict, crisis, chaos, and fear reign supreme, every day we see the worst behavior of celebrities, politicians, and other public figures who serve as role models. Winners and losers. Friends and enemies. Heroes and villains. People with high-conflict personalities think almost solely in these extremes. They regularly express unmanaged emotions, routinely blame others, and do harmful things that 90% of people would never do. Bullies share these characteristics, plus a drive to dominate or destroy their victims. But all bullies act in the same highly predictable patterns, regardless of their demographics and situation. By focusing on the ten hidden powers bullies employ—from their unrestrained nature and bully story to manipulating emotions and playing the victim—Bill Eddy unpacks the way bullies rely on primitive emotions and nonverbal behavior. He helps readers spot these behaviors and offers practical actions before they become immobilized by helplessness, blame, and shame. In today's world, we all may have an adult bully in our lives sooner or later. For anyone who has a bully in their life now, for professionals who counsel victims of bullying, and for anyone who is concerned about the fraying of our culture and society, this book gives effective strategies to prevent bullies from taking over. Eddy's six-step approach includes useful advice on how to: Recognize the patterns of bully behavior Pull the plug on the bully's story Set limits with credible threats Impose serious consequences Communicate effectively about bullies to others Stand strong with others against bullies Our New World of Adult Bullies takes a closer look at the dangerous behavior of bullies and how to stop the behavior before it starts.

Shutting Down Verbal Bullying

Verbal bullying is a type of psychological and emotional abuse, and can often have an even greater impact than a bully who uses their fists to inflict damage. What can a young person do in the face of name-calling and insults that seem harmless to many outsiders? Through this comprehensive volume, readers will learn

how a bully becomes a bully, what constitutes verbal bullying, and where to seek help. It includes valuable resources from anti-bullying organizations and specifically addresses verbal bullying against members of the LGBTQ+ community.

The Ant Bully

Lucas learns a lesson about bullying when he is pulled into the ant hole he has been tormenting.

Falling Away

From the New Adult sensation and New York Times bestselling author of Rival Jaxon is the guy she's supposed to avoid. K.C. is the girl he won't let get away.... K. C. Carter has always followed the rules--until this year, when a mistake leaves her the talk of her college campus and her carefully arranged life comes crashing to a halt. Now she's stuck in her small hometown for the summer to complete her court-ordered community service, and to make matters worse, trouble is living right next door. Jaxon Trent is the worst kind of temptation and exactly what K.C. was supposed to stay away from in high school. But he never forgot her. She was the one girl who wouldn't give him the time of day and the only one to ever say no. Fate has brought K.C. back into his life--except what he thought was a great twist of luck turns out to be too close for comfort. As they grow closer, he discovers that convincing K.C. to get out from her mother's shadow is hard, but revealing the darkest parts of his soul is nearly impossible....

The Everything Parent's Guide to Dealing with Bullies

Mocking. Namecalling. Physical aggression. These experiences are all forms of bullying that can wreak havoc on a child's self-esteem, safety, and general happiness. Both parents of bullied children and parents of bullies are in a difficult situation: They want to protect their children and control their behavior without making the problem worse. Parents need a comprehensive, up-to-date guide to ensure that their children's education and quality of life are not compromised. This book helps parents learn to: Recognize the signs of bullying Find out where bullying is taking place—at school, at a friend's house, or on the Internet Understand the differences between bullying among boys and girls Teach social skills and assertiveness techniques Communicate with the parents of bullies Get support from teachers, counselors, and other school administrators Handle bullying situations involving children with special needs Written by Deborah Carpenter, a social worker and assistant principal, this guide gives parents all the tools they need to recognize the problem, treat it properly, and prevent it from happening again.
