Introduction

What was my first international video editing client?

Why did we start this podcast?

How did Rishabh earn money in college?

How did I become a fitness trainer?

What inspired my first GST video on YouTube?

How did I get clients on Fiverr?

Why does time matter more than money in college?

Did I waste time during college?

What if I say yes to everything?

Should students spend on experiences over stuff?

How does an entrepreneurial mindset develop in college?

How did Jake get his first client at age 19?

How to delegate your work effectively?

Why should you still focus on studies?

Should you invest in time-bound assets during college?

What are time-bound investments students can invest in?

What's the ultimate takeaway for college students?
