Reading Song Lyrics

Reading Song Lyrics offers the first systematic introduction to lyrics as a vibrant genre of (performed) literature. It takes lyrics seriously as a complex form of verbal art that has been unjustly neglected in literary, music, and, to a lesser degree, cultural studies, partly as it cuts squarely across institutional boundaries. The first part of this book accordingly introduces a thoroughly transdisciplinary interpretive framework. It outlines theoretical approaches to issues such as performance and performativity, generic convention and cultural capital, sound and songfulness, mediality and musical multimedia, and step by step applies them to the example of a single song. The second part then offers three extended case studies which showcase the larger cultural and historical viability of this model. Probing into the relationship between lyrics and the ambivalent performance of national culture in Britain, it offers exemplary readings of a highly subversive 1597 ayre by John Dowland, of an 1811 broadside ballad about Sara Baartman, 'The Hottentot Venus', and of a 2000 song by 'jungle punk' collective Asian Dub Foundation. *Reading Song Lyrics* demonstrates how and why song lyrics matter as a paradigmatic art form in the culture of modernity.

Lines and Lyrics

An introduction to poetry geared toward the study of song *"Fusing an approach that engages both lyrics and musical content of English-language songs in a wide swath of genres, Lines and Lyrics gives readers the*

tools and concepts to help them better interpret songs, in an accessible and enjoyable format.\"--Victoria Malawey, author of *A Blaze of Light In Every Word: Analyzing the Popular Singing Voice* \"I can think of no other book that juxtaposes art song and pop song so effectively, in a way that doesn't privilege one over the other. This is a real achievement, and a must-have for anyone who loves words and songs.\"--Stephen Rodgers, University of Oregon Bruce Springsteen, Benjamin Britten, Kendrick Lamar, Sylvia Plath, Outkast, and Anne Sexton collide in this inventive study of poetry and song. Drawing on literary poetry, rock, rap, musical theater, and art songs from the Elizabethan period to the present, Matt BaileyShea reveals how every issue in poetry has an important corresponding status in song, but one that is always transformed. Beginning with a discussion of essential features such as diction, meter, and rhyme, the book progresses into the realms of lineation, syntax, form, and address, and culminates in an analysis of two complete songs. Throughout, BaileyShea places classical composers and poets in conversations with contemporary songwriters and musicians (T. S. Eliot and Johnny Cash, Aaron Copland and Pink Floyd) so that readers can make close connections across time, genres, and fields, but also recognize inherent differences. To aid the reader, the author has created a Spotify playlist of all the music discussed in this book and provides time cues throughout, enabling readers to listen to the music as they read.

The Complete Lyrics of Alan Jay Lerner

Alan Jay Lerner wrote the lyrics for some of the most beloved musicals in Broadway and Hollywood history. Most notably, with composer Frederick Loewe he created enduring hits such as *My Fair Lady*, *Gigi*, *Camelot*, and *Brigadoon*. In *The Complete Lyrics of Alan Jay Lerner*, editors and annotators Dominic McHugh and Amy Asch bring all of Lerner's lyrics together for the first time, including numerous draft or alternate versions and songs cut from the shows. Compiled from dozens of archival collections, this invaluable resource and authoritative reference includes both Lerner's classic works and numerous discoveries, including his unproduced MGM movie *Huckleberry Finn*, selections from his college musicals, and lyrics from three different versions of *Paint Your Wagon*. This collection also includes extensive material from Lerner's two most ambitious musicals: *Love Life*, to music by Kurt Weill, and *1600 Pennsylvania Avenue*, which Lerner wrote with Leonard Bernstein.

Lyrics & Prose

Emerging from the New Wave music scene of the late '70s, The Cars catapulted to success with the very first single—“Just What I Needed”—off of their debut album. Led by Ric Ocasek, the lead vocalist (along with Benjamin Orr), rhythm guitarist, and songwriter, The Cars became one of the most successful bands of the '80s—and their songs are just as beloved by fans today. Ocasek himself has had an illustrious career beyond The Cars, from writing and performing solo work, publishing poetry in *Granta* and elsewhere, and producing albums by musical artists like Weezer, Hole, Guided By Voices, and Jonathan Richman. In *Lyrics & Prose*, Ocasek collects his lyrics together for the first time—and included throughout are Ocasek's early handwritten notes and set lists, doodles and all. His work spans from The Cars' self-titled debut album in 1978 to *Move Like This*, released in 2011, as well as Ocasek's six solo albums. This is not merely a songbook for fans of The Cars, however: Ocasek is a versatile and affecting poet as well as songwriter, and his original verses—interspersed with album artwork and more than twenty-five beautiful black and white photographs—round out this beguiling book.

The Complete Lyrics of Johnny Mercer

The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs—his words have never gone out of fashion—and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

Queer Lyrics

Queer Lyrics fills a gap in queer studies: the lyric, as poetic genre, has never been directly addressed by queer theory. Vincent uses formal concerns, difficulty and closure, to discuss innovations specific to queer American poets. He traces a genealogy based on these queer techniques from Whitman, through Crane and Moore, to Ashbery and Spicer. Queer Lyrics considers the place of form in queer theory, while opening new vistas on the poetry of these seminal figures.

From 'Mora gora ang lai le', his first film lyric written for Bimal Roy's Bandini in 1963, to the Oscar-winning 'Jai ho' from Slumdog Millionaire, Gulzar has brought a rare poetic sensibility to popular Hindi film music over a five-decade-long career. His sophisticated insights into psychological complexities, his ability to capture the essence of nature's sounds and spoken dialects in written words, and above all his inimitable-and often surprising-imagery have entertained his legions of fans over successive generations. It represents Gulzar's most memorable compositions of all time, and feature anecdotes about the composition of the lyrics as well as sketches by Gulzar.

The Dragon Squisher, Volume 1

Meet Nigel: digger of latrines, shoveler of poop, and the single greatest threat to all the humans, elves, dwarves, and halflings of Esteria. Desperate to escape from military school and return to his carefree life as the village no-goodnik, Nigel sees the king's declaration of war on the gorks as the perfect opportunity to flee, since he's pretty sure his latrine-digging skills aren't going to do much good on the front line. But his escape efforts have a habit of backfiring, and by the time he and his arch-frenemy are banished from the kingdom and sent on an impossible quest for a (probably bogus) magical artifact, the humans of Amerigorn find themselves longing for the good old days when they were merely being annihilated by Lord Smoron. The Dragon Squisher is a fantasy novel for teens that spoofs the tropes of the genre and will appeal to teens, young adults, and adults who love the humor of Terry Pratchett and Douglas Adams. If this is the kind of book you've been searching for--and who hasn't?--look no further than Book One of the Nigel Chronicles: The Dragon Squisher. Funnier than Lord of the Rings! Shorter than Harry Potter! This coming of age fantasy novel is an epic fantasy treat for all fans of humorous fantasy.

One last thing, if you do fall in love with him, please go slowly. Be careful. Trust your gut and know not all things are easy. Damaged things can become beautiful if they're placed in the right hands. - Love, Gran

A small town where pickup trucks rule, the farmer's market is bigger than the grocery store, and just about everyone goes to church on Sunday is the last place Henley Warren expects to find herself three months after her grandmother's death. But Gran left a list of things she needed Henley to do after she died, and fulfilling those wishes means spending a summer in the same place her mom fled from when she was only seventeen years old. With each task that is ticked off the list, events are set in motion that uncover secrets surrounding Henley's life. Although Henley may have arrived on the shores of Alabama's Gulf Coast feeling alone and lost in a world without her Gran, things soon change. The small town holds more than she realized- including a broody, gorgeous, potentially dangerous guy who is always showing up when she needs him the most. Henley fears her heart isn't ready to trust someone so unpredictable but he makes her feel things deeper than she thought possible. So, when Henley discovers the twisted, dark world he is living in, will it be too late to save her heart? Or has her heart been beyond saving from the moment he stepped out of his truck on that very first day?

Hollywood Movie Musical

The autobiography, in dialogue, of the composer and lyricist of Chicago and Cabaret as well as a wise and witty memoir of forty years of American musicals. Composer John Kander and lyricist Fred Ebb are the longest-running composer-lyricist team in Broadway history, having first joined forces in 1962. The fruits of their collaboration have helped to push American musical theater in a more daring direction both musically and dramatically. At the same time, their impact on individual performers—such as Liza Minelli, who has provided the introduction—has been substantial. Starting with Flora, The Red Menace, their first show together (as well as their first with Liza), and continuing with such groundbreaking works as Cabaret, Chicago, and Kiss of the Spider Woman, Kander and Ebb—ably assisted by Greg Lawrence—discuss their lives and careers with wit and acuity. In exploring the creation of truly original work such as Cabaret, reflecting on what makes a song work, reviewing what they liked (and didn't like) about the film adaptation of Chicago, and discussing the mechanics of their own collaborative process, Kander and Ebb provide a history not only of their own lives but also of twentieth century American musical theater. Praise for *Colored Lights* “Anyone who enjoys musical theater will delight in this anecdotal memoir by an accomplished musical team who began their partnership in 1962. . . . Their recollections bring the golden age of musical theater to life and reveal the nuts and bolts of creating a score for a successful musical. The two reminisce freely about stars such as Liza Minnelli, Barbra Streisand and Bob Fosse, with whom they had close working relationships.” —Publishers Weekly

Colored Lights

Prior to the stock market crash of 1929 American music still possessed a distinct tendency towards elitism, as songwriters and composers sought to avoid the mass appeal that critics scorned. During the Depression, however, radio came to dominate the other musical media of the time, and a new era of truly popular music was born. Under the guidance of the great Duke Ellington and a number of other talented and charismatic performers, swing music unified the public consciousness like no other musical form before or since. At the same time the enduring legacies of Woody Guthrie in folk, Aaron Copeland in classical, and George and Ira Gershwin on Broadway stand as a testament to the great diversity of tastes and interests that subsisted throughout the Great Depression, and play a part still in our lives today. The lives of these and many other great musicians come alive in this insightful study of the works, artists, and circumstances that contributed to making and performing the music that helped America through one of its most difficult times. The American History through Music series examines the many different styles of music that have played a significant part in our nation's history. While volumes in this series show the multifaceted roles of music in our culture, they also use music as a lens through which readers may study American social history. The authors present in-depth analysis of American musical genres, significant musicians, technological innovations, and the many connections between music and the realms of art, politics, and daily life.

Music of the Great Depression

Modern readers can sometimes be unsure about the language and the literary conventions of medieval and Renaissance verse--lyrical works written at a time before poetry was assumed to be about personal expression. This readers' guide introduces to a 21st century audience some of the greatest masterpieces of English poetry spanning five centuries. Focusing on poems by Chaucer, Wyatt, Shakespeare, Milton and others, the author discusses the development of poetic technique, explains the rhetorical culture of earlier centuries and describes the various lyric forms--including lover's complaints, sonnets and elegies--that poets used to communicate with readers.

Song Translation: Lyrics in Contexts grew out of a project dedicated to the translation of song lyrics. The book aligns itself with the tradition of descriptive translation studies. Its authors, scholars from Finland, Great Britain, Greece, Italy, Norway and Sweden, all deal with the translation of song lyrics in a great variety of different contexts, including music and performance settings, (inter)cultural perspectives, and historical backgrounds. On the one hand, the analyses demonstrate the breadth and diversity of the concept of translation itself, on the other they show how different contexts set up conditions that shape translational practices and products in different ways. The book is intended for translation studies scholars as well as for musicologists, students of language and/or music and practicing translators; in short, anybody interested in this creative and fascinating field of translational practice.
